PARTICIPATE IN THE MAGIC OF CHRISTMAS IN A MODERN & INCLUSIVE WAY

This December, experience a one-of-a-kind celebration of joy, diversity, and the magic of the holidays with A Drag Christmas Spectacular. This 90-minute fusion of theater, drag, and a queer retelling of the Christmas story will captivate audiences with its humor, heart, and personal stories, showcasing Colorado's finest queer and drag talents.

This is more than a show, it is a refuge for LGBTQIA+ people during the often challenging holiday season, offering a counterpoint of fierce joy and pride in a world that too often marginalizes and silences, creating a space where authenticity, community, and defiance take center stage.

**DID YOU KNOW? ATTEMPTED SUICIDE RATES ARE REDUCED BY OVER 60%
WHEN A YOUNG PERSON PERCEIVES THEIR COMMUNITY AS BEING VERY ACCEPTING.**

According to a national survey on LGBTQIA+ mental health conducted by The Trevor Project in 2022.

YOUR SPONSORSHIP WILL

- Provide fair wages for performers, many of whom are non-binary, trans, and BIPOC.
- Foster representation and community, offering a safe space of expression and celebration during the holidays.
- Raise funds for Rainbow Villages to help individuals in unsafe states move to NoCo
- Ensure broad media exposure, with previous coverage on NPR and expected widespread local attention.
